WHAT'S YOUR DREAM?

SYNAPSE CAN HELP!

Synapse is the Canadian Institutes of Health Research's youth outreach program. We match up promising young scientists like you with a "real-life" researcher who will be your mentor.

A mentor can help you develop your idea into a science fair project, figure out your plans for the future — and even give you a first-hand look at what it's really like to work in health research..

I DREAM OF...

HELPING PARALYZED
PEOPLE WALK AGAIN!

FINDING A CURE
FOR CANCER!

WINNING A
NOBEL PRIZE!

Take the first step to finding your mentor.
Send an e-mail to synapse@cihr-irsc.gc.ca.
We'll take it from there.
